

2020/2021

BARMINCO
GRADUATE
PROGRAM

Barminco

GROWING FUTURE LEADERS

The Barminco Graduate Program equips mining engineers with the skills and experience to become future mine leaders.

WHAT WE OFFER

- ✓ Fulfill requirements for Underground Mine Managers certificate
- ✓ Complete your three years underground time gaining hands-on experience in at least seven underground mining roles
- ✓ Be part of the crew - learn by doing, not watching
- ✓ Mentoring and support to develop your leadership skills and achieve your career goals
- ✓ Exposure to different sites, locations and commodities

ABOUT BARMINCO

Barminco is part of the Perenti Group, an ASX 200 company and Australia's second largest integrated mining services provider. We are a global leader in hard rock underground mining. Today, we have over 4,300 employees operating at 22 projects in seven countries.

BARMINCO GRADUATE PROGRAM

Barminco believes in growing our own future leaders to operate globally. The Barminco Graduate Program enables engineers to gain the experience and knowledge to successfully run our mining operations and gain diverse experience through our global footprint. We are looking for students currently completing a degree in Mining, Mechanical or Mechatronics Engineering who want hands on mining experience to complement their theoretical learning.

HOW TO APPLY

If you have the necessary skills and would like a career with a global leader in hard rock underground mining, we would like to hear from you.

Half way through your studies and looking for a Vacation placement? We would also like to hear from you.
