HANDS ON HARD ROCK UNDERGROUND EXPERIENCE

Gain valuable underground experience to complement your theoretical knowledge before you graduate.

WHAT WE OFFER

- ✓ 2:1 Roster, fly in from anywhere in Australia
- ✓ Competitive remuneration
- ✓ Gain underground experience before joining the Barminco Graduate Program
- ✓ Learn practical, hands-on skills to complement your theoretical knowledge

ABOUT BARMINCO

Barminco is part of the Perenti Group, an ASX 200 company and Australia's second largest integrated mining services provider. We are a global leader in hard rock underground mining. Today, we have over 4,300 employees operating at 22 projects in seven countries.

BARMINCO VACATION WORK PROGRAM

- The program is open to students currently completing a Degree in Mining Engineering. You will have the opportunity to actively participate in a variety of hands on underground tasks, where the experience gained will complement your theoretical learnings.
- Barminco encourages successful students to participate in further vacation work with us (including winter work) over the course of your degree, with the goal of joining the Barminco Graduate Program upon final completion.
- Vacation Work students will do a 2 weeks on / 1 week off roster, and be competitively remunerated.

WHAT WE EXPECT

- Commitment to our Principles.
- Self-motivation, passion for mining, eagerness to learn and develop personally and professionally.
- Ability to pass a pre-employment medical including drug and alcohol screening, and provide a national police clearance.

HOW TO APPLY

If you have the necessary skills, desire and enthusiasm to join Barminco's Vacation Work Program, we would like to hear from you.
